

PROSPETTO 2

Architectural elevation drawing of a building facade. The facade is characterized by a series of windows with diagonal hatching. Four large, dark, L-shaped structural elements are positioned along the base of the facade. A small entrance is visible on the left side. The drawing includes a scale bar and a north arrow.

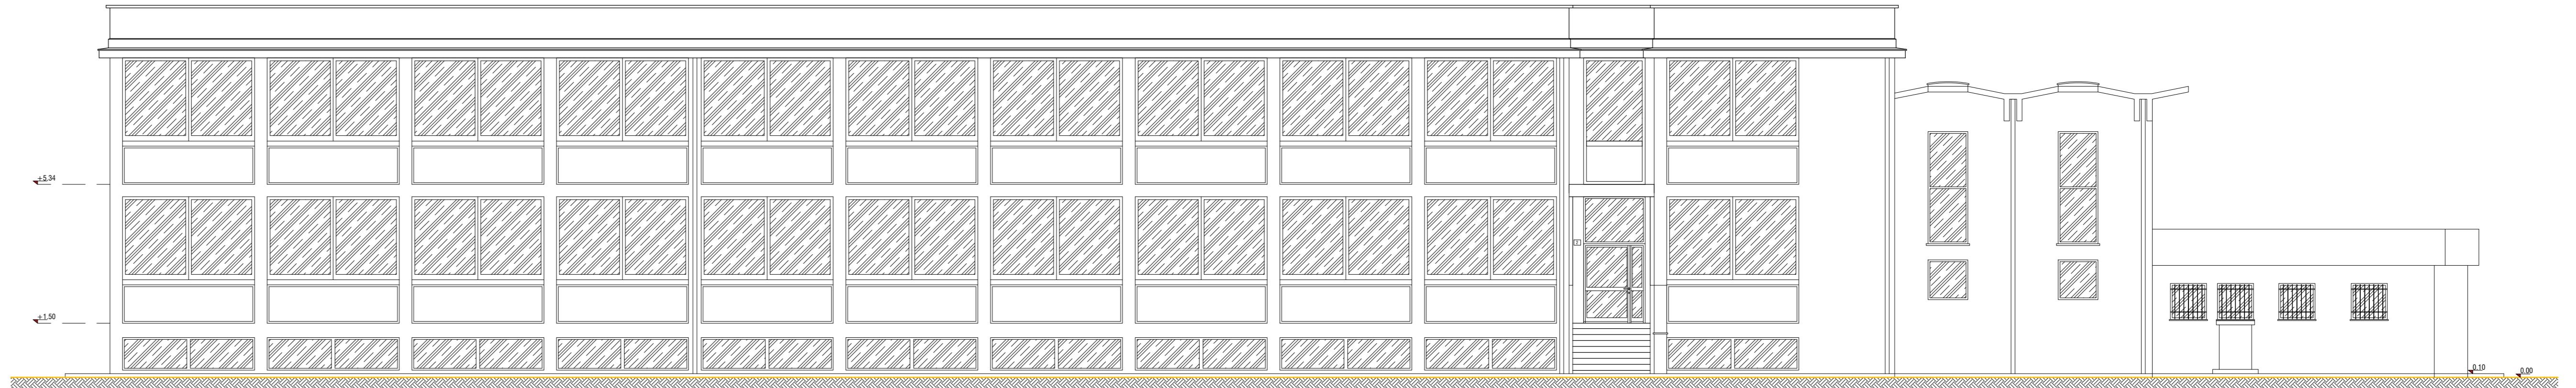

PROSPETTO 3

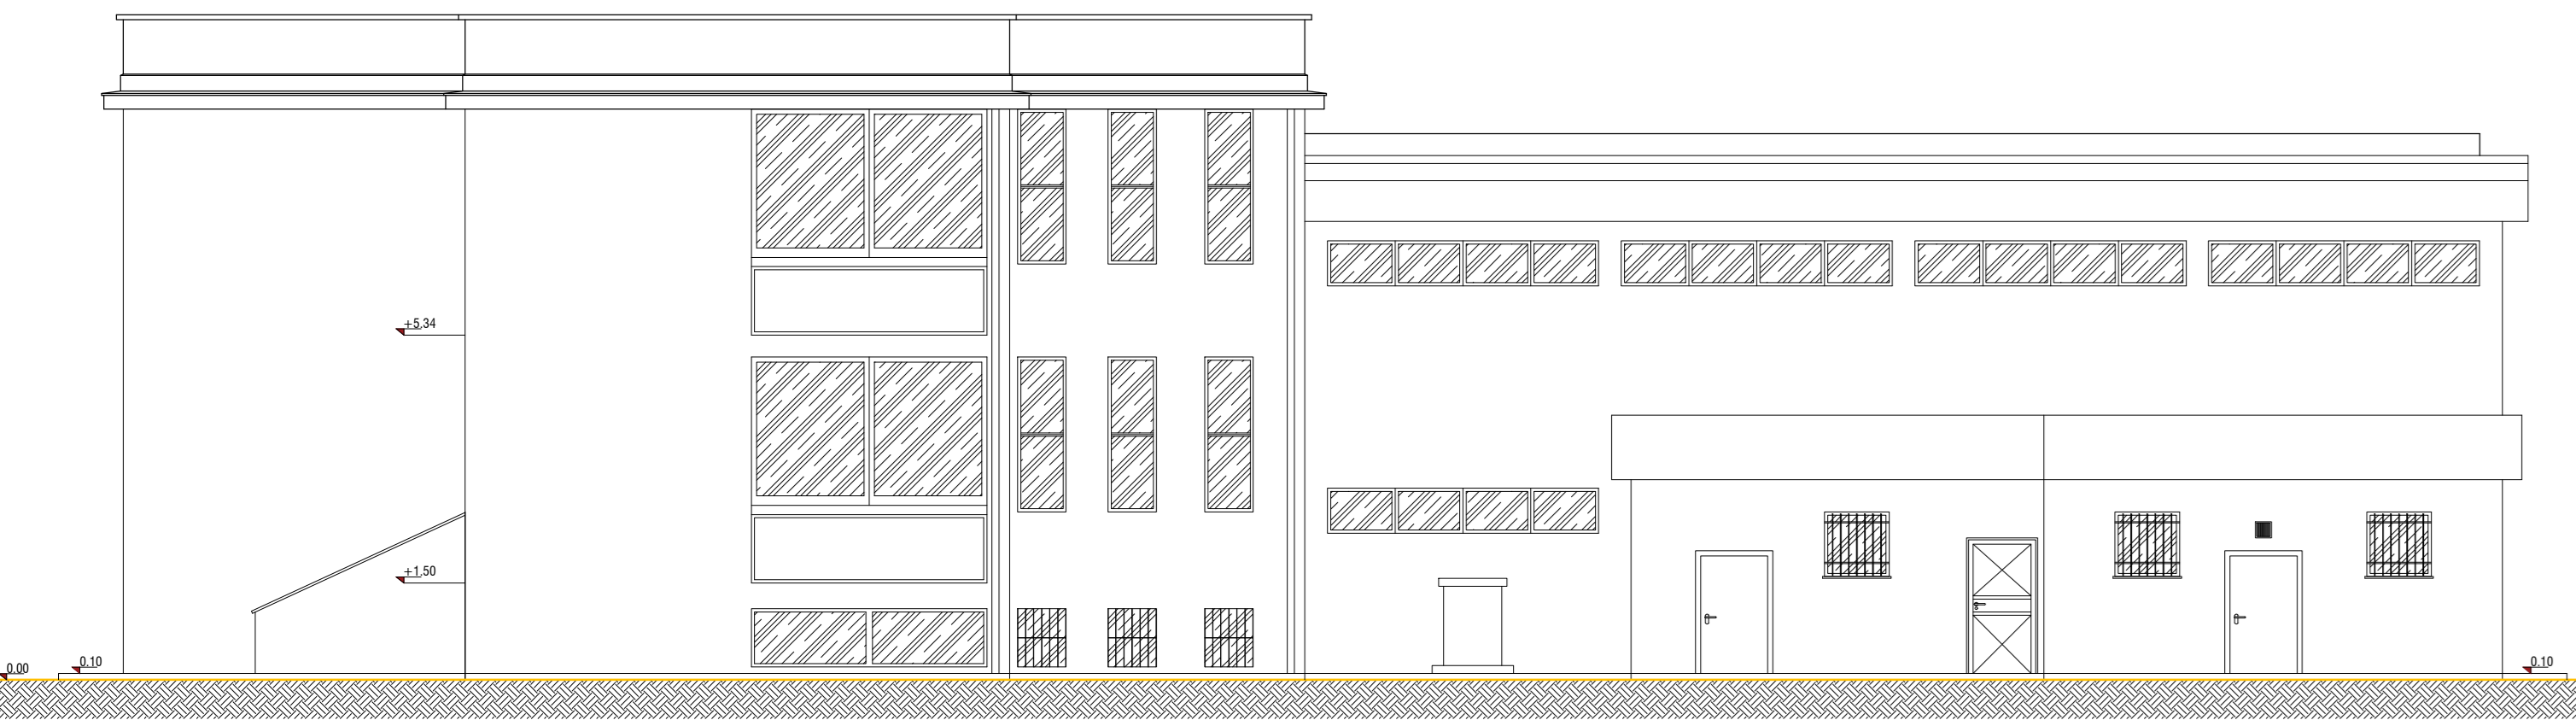

PROSPETTO 4

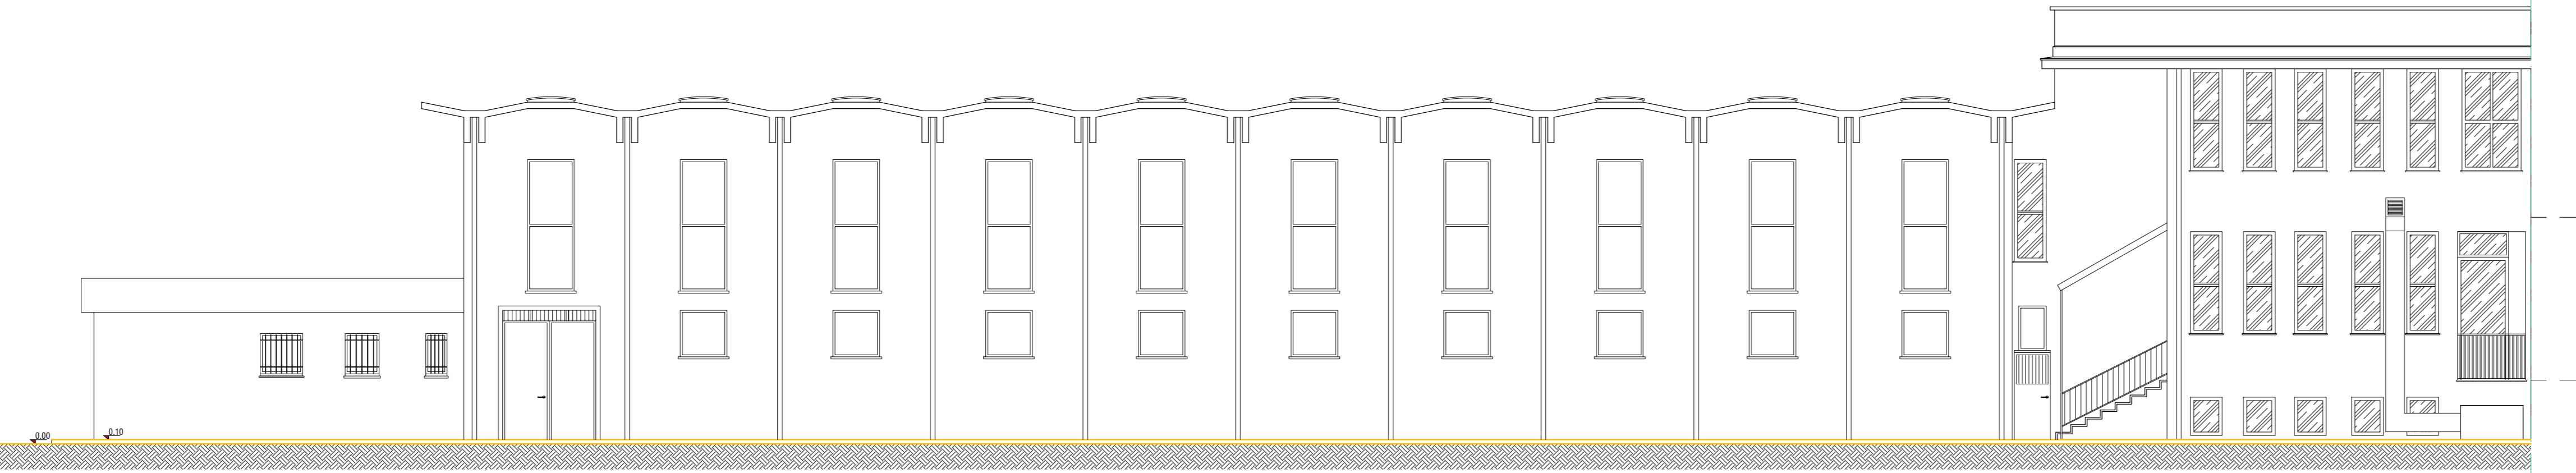

Architectural elevation drawing of a building facade, labeled "PROSPETTO 4". The drawing shows a long, multi-story building with a grid of windows. The windows are divided into three horizontal sections: a top section with diagonal hatching, a middle section with solid white, and a bottom section with diagonal hatching. The building has a flat roof and a central entrance area with a staircase. To the right of the main building, there is a smaller, two-story structure with a gabled roof and a small entrance. The drawing includes a ground line and a scale bar at the bottom right.

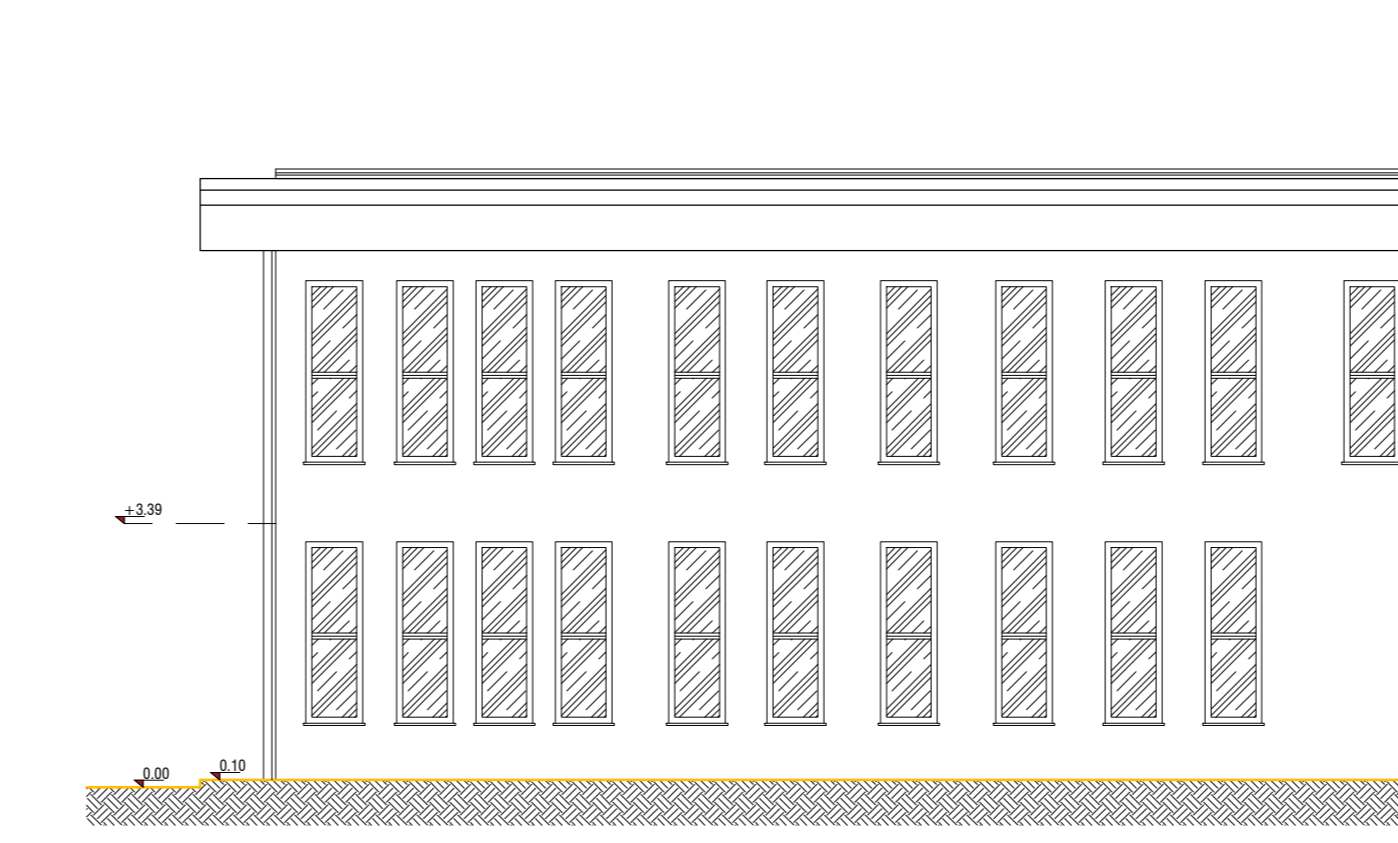

PROSPETTO 5

PROSPETTO 6

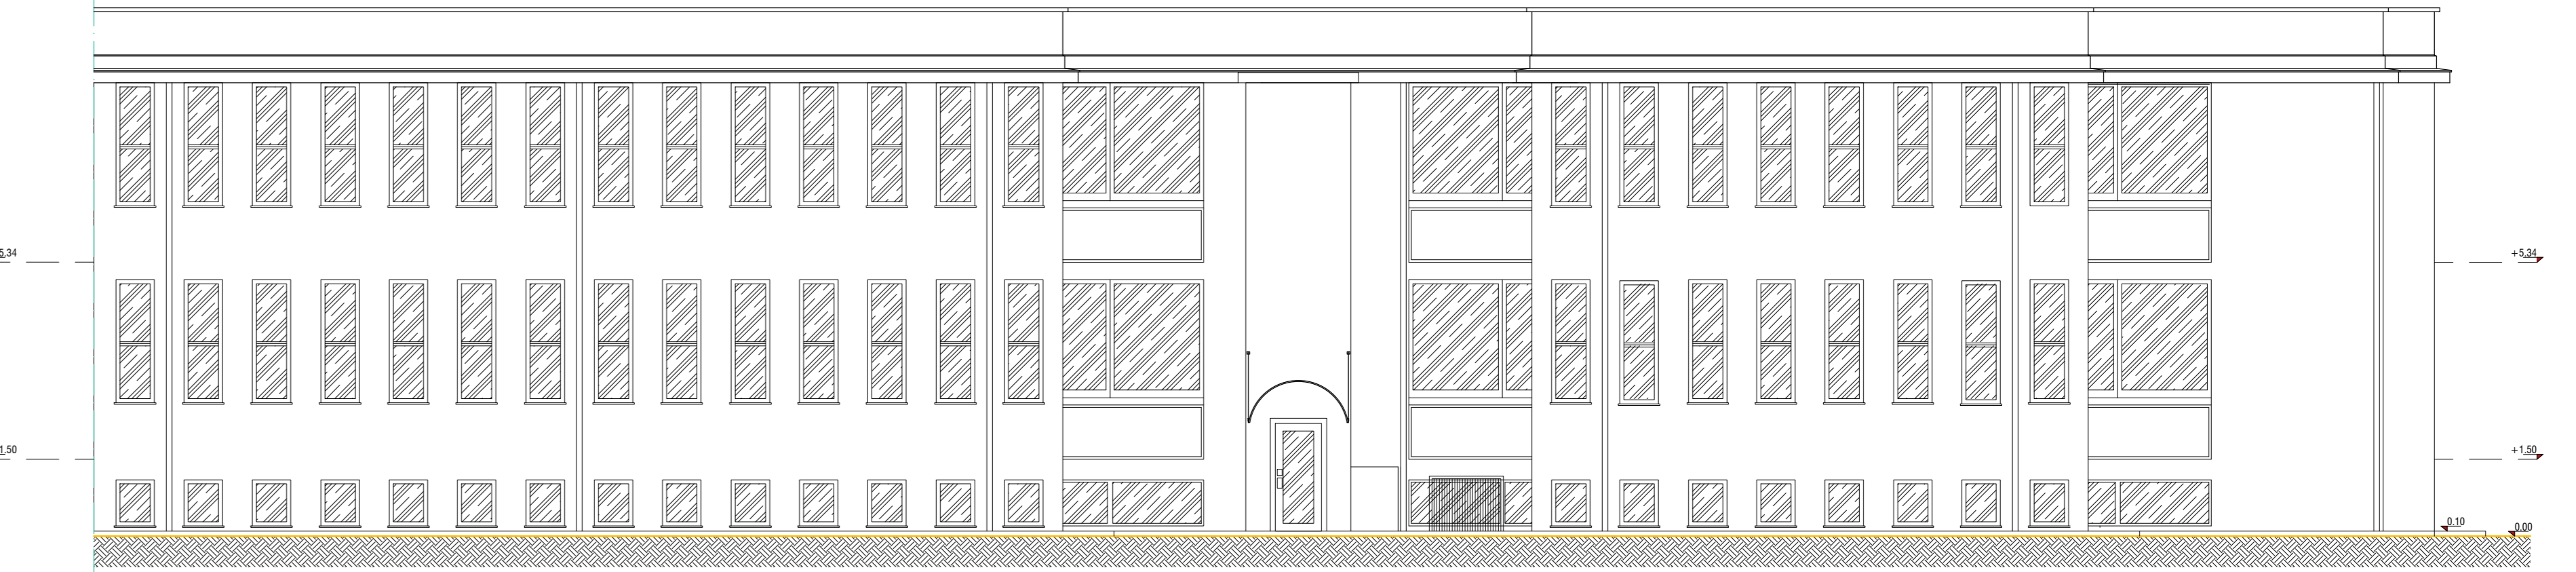

PROSPETTO 7

PROSPETTO 8

Architectural elevation drawing of a building facade, labeled "PROSPETTO 8". The drawing shows a long, symmetrical facade with a central entrance. The facade is divided into several vertical sections by columns. The central section features a large, arched entrance with a small, arched window above it. The side sections are filled with a grid of rectangular windows. The drawing includes elevation markers on the left and right sides, indicating heights of 0.00, 1.35, and 2.34. The ground level is marked with a yellow line and a cross-hatched pattern below it.

SCHEMA PROSPETTI

P_1	P_2	P_3	P_4
P_5	P_6	P_7	P_8

The diagram shows a building layout with several rooms. Arrows indicate the path of a person moving through the building. The path starts in a small room on the left, moves right into a larger room, then up into a room above it, and finally into a room to the right of that. The path ends in a room on the far right. The arrows show a sequence of movements: right, up, right, up, right, and finally down into the last room.
